Sir,

In forwarding herewith in original (to be kindly returned when no longer required) letters Nos. 87 and 187 dated 25th July and 22nd August 1903, respectively with their enclosure from the Superintendent Bangalore Central Jail, indenting for a supply of 50 brass locks, I have the honor to state that some of the locks now in use which were supplied by one K.Paparam of Mysore, are reported to have become worn out and consequently require repairs very often. And those supplied by Messrs.Das & Co., Calcutta, have been found to answer the purpose admirably well. Some such good and serviceable locks as are manufactured by the latter Firm are very necessary for the safety of the Jail.

I therefore request that you will be so good as to obtain early sanction of Government for the purchase of 50 special Jail locks 3" size from Messrs. Das & Co., Calcutta at a cost of Rs.172/- as detailed in the margin, which will be met out of the allotment provided under the head "Jail Contingencies" in the current year's Budget for the Bangalore Central Jail.

I have the honor to be,

Sir,

Your most obedient servant,

M.D.,
